

Touch-Adjust Clip Company

BADGE

JEWELRY

FINDINGS

TO OUR VALUED CUSTOMERS

Established in 1965, Touch-Adjust Clip Company has grown to become one of the largest manufacturers of badge and jewelry findings in the United States. From our modern facility located on Long Island, New York, we continue to expand our product line, offering the highest quality Findings at competitive prices with excellent delivery.

Our goal in presenting this catalog is to provide you with an easy reference for all your Badge, Jewelry, and Ad Specialty Finding needs. In addition to our product line, we also provide special tooling set-ups, as well as specialty item manufacturing. If there is an item in which you are interested that is not shown in this catalog, please contact us. We will make every effort to meet your specific needs and individual requirements.

Due to the variety of our product line, we do not issue price lists. It would, however, be our pleasure to furnish you with product samples and a custom-tailored price quotation. We are proud of the products we produce and the service we provide.

With over 41 years in business, we offer you our valued customers, quality, variety, and dependability. Please enjoy our newest catalog!

Sincerely,

Richard C. Haug
President

ORDERING INFORMATION

IMPORTANT POINTS TO REMEMBER WHEN ORDERING:

1. Barpins are available in either the Open or Closed position. Standard shipment of Barpins will be in the Open position.
2. ABS plastic products are available either in Clear or Black.
3. All domestic Barpins are 100% Brass and are available either Raw or Nickel Plated.

★ PROVIDING US WITH THE APPROPRIATE INFORMATION WILL ENSURE ACCURACY IN SHIPPING AS WELL AS PROMPT DELIVERY.

ORDER PROCESSING AND SHIPPING:

1. Orders will be filled with a minimum requirement of \$100.00 per order.
2. Use only our Part Numbers which are noted in the catalogue.
3. Specify quantity and finish desired. All items are sold per one hundred pieces.
4. Normal stock orders are delivered within 2-3 days.
5. Custom orders are delivered within 3-4 weeks.

RETURNS:

1. No returns will be accepted without prior approval and authorization number.
2. Requests for returns must be made within 15 days of receipt.
3. Merchandise altered in any manner will not be accepted for return.
4. Returns due to our error will receive full credit or replacement plus return freight charge.
5. Returns due to customer error will be replaced with a 20% restocking charge.

TERMS OF SHIPMENT FOR OPEN CREDIT ACCOUNTS:

1. Net 30 Days on all shipments
2. F.O.B. Bohemia, New York
3. Shipments will be made via United Parcel Service, unless otherwise specified.

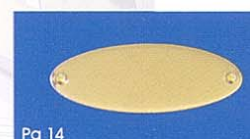

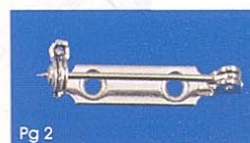

ESTABLISHING CREDIT:

1. New accounts desiring open credit terms should furnish three trade references and one bank reference on company letterhead.
2. Please allow two (2) to three (3) weeks to establish an open account.
3. All customers ordering for the first time will be shipped on a C.O.D. basis, until credit has been established.
4. No shipments will be made to past due accounts.
5. Any invoice past due will constitute C.O.D. for all future orders.
6. We accept all major credit cards.

HOW THE INTER-LOCK® FASTENER SYSTEM WORKS

INTER-LOCK® Fastener System offers a choice of badge fasteners to suit your changing day to day needs. Do the clothes worn today require a pin fastener rather than a pocket fastener?

Just unsnap the pocket fastener and snap on a pin fastener. There is no need to buy multiple badges. You can offer this choice and flexibility to all employees without paying for additional badges and engraving costs.

I.D. BADGE SYSTEM

The First Really Easy-to-use Digital I.D. System

Touch Adjust Clip Company's Digital I.D. Badge System is a professional, state-of-the-art badging system. Before, most "I.D. Systems" were incomplete and difficult to use. They were complicated, hard to learn, and sometimes incompatible with necessary hardware components.

We solved this dilemma by incorporating the latest technology in I.D. card software and hardware... and give you all the supplies you need to badge up to 500 people. There is no need to purchase anything else. We have it all.

Whether you are implementing an I.D. program for the first time or upgrading from an older system, our system is your answer. Our I.D. Badge System is affordable and easy-to-learn. In no time you will be making I.D.'s quicker and faster than you could have ever imagined.

There are eight flexible I.D. Systems specifically designed to meet the different I.D. card production needs of every organization large or small.

- EASY
- FAST
- COMPLETE
- RELIABLE
- AFFORDABLE
- FLEXIBLE

You will never have to worry about our I.D. Badge System slowing down. Asure ID™ Software is simple to learn, powerful, and loaded with lots of useful features to streamline card design and creation. Our card printers are fast... printing full-color I.D. cards in about 30 seconds.
